DEDICATION

This yearbook is dedicated not to a person or persons but to an idea which, when put into full scale development in 1945, resulted in a singularly successful program in building international understanding.

The Euclid Senior High School students, having benefited from the unique fruits of this program for the past two years, in the persons of Mr. Peter Badham and Mr. Clifford Owen, appreciate the fact that the exchange teachers are really "ambassadors of good will without portfolio."

The teachers exchange program bases itself on the idea that the key station of teachers in every community furnishes varied opportunities for advancing international understanding and cooperation. These teachers are given the opportunity, not only to become better teachers, but also to become better citizens of their own respective countries and better citizens of the world.

Therefore it is with great pride and humility that we, the EUCLIDIAN staff of 1953, dedicate this book to the International Teachers Exchange Program and to the teachers throughout the world who are participating in this program. Theirs has been and is "a monumental contribution to understanding and to world peace."

FACULTY...

Preach with conviction and teach with integrity.

—President Eisenhower

All I can offer you is blood, toil, tears, and sweat.

—Prime Minister Churchill

W. G. FORDYCE

The people of Euclid have indicated their confidence in the American public school by the generosity of their support for these schools. Our high school students are particularly fortunate in having one of the most beautiful school buildings in the country. It is the hope of the Board of Education and of your parents that you have taken full advantage of these facilities and of the contacts with a group of well-trained, stimulating teachers.

Your yearbook is a record of your days in this school. We hope they were happy ones. As you leave the school, you assume to a greater degree the obligations of citizenship. The test of your educational experience will be in what kind of citizen you become and how fully you support the American ideals which have made your education possible. The Board of Education expresses its congratulations and best wishes for your future.

W. G. FORDYCE,
Superintendent.

BOARD OF EDUCATION

LEFT TO RIGHT—C. E. Bowman, Ray Turk, Vice-President; Russell Glass, President, Loyal Luikart, John F. Davis.

During its short life Euclid High School has been privileged to graduate many fine young men and women. This annual well illustrates the opportunities for all to live and learn in an atmosphere which contributes to a well-rounded life.

We believe, at Euclid High, that students should have the opportunity to live in a democratic atmosphere. This opportunity to participate has helped our students to better assume adult responsibilities after high school graduation.

The publication of this yearbook with all the responsibilities which accompany it is evidence of the merit and the ability of our student body. May the lives of all who attend here be fruitful and make worthwhile contributions to an enlightened and better world.

CLIFFORD G. OWENS,
Principal.

During these critical war years American youth has been brought face to face with several very serious challenges. Many of our young people have been forced to decide whether to enter combat service or to assist with industry, or to continue their education. The decision will never be an easy one. American youth, always highly patriotic, understands what it means to maintain the American way of life at whatever cost is necessary.

Your teachers and friends have confidence that you will continue your preparation and thus work for a better world.

Best wishes.

WALTER SCHWEGLER.

DEAN OF MEN AND DEAN OF WOMEN

As mediators of student-faculty relations and advisors to both students and faculty, our Deans, Mr. Meryle Baumer and Mrs. Harriet Sheets, hold two of the most vital positions in our school government.

TOP LEFT—Mrs. Szymenyei. TOP RIGHT—Miss Willis. BOTTOM LEFT—Mrs. Winter.

Librarians: "It is our aim to have the library a part of the school, not apart from it." These significant words tell very briefly and simply the intricate and difficult job that fall to our librarians.

LEFT TO RIGHT—Mrs. Stein, Miss Bowditch, Mrs. Mette.

ENGLISH DEPARTMENT

Used in thinking and communicating ideas, a skillful use of language is necessary for every intellectual endeavor and most social relationships. Through many experiences each six-week period, Euclid students continually improve their reading, writing, speaking, and listening, helping to make better citizens, to become successful in their life's work, and to live happy, well-adjusted personal lives.

SOCIAL STUDIES DEPARTMENT

To encourage the highest type of citizenship in problems dealing with government, economics, religion, and race, whose solutions depend entirely upon an intelligent and understanding attitude of all future active participants in American democracy, and to try to develop those qualities which will make for a most intelligent citizenship, are not the least of the goals toward which the social studies teacher strives. The encouragement of a cooperative spirit or an attitude of tolerance and the appreciation of culture are two further objectives.

LANGUAGE DEPARTMENT

Neal MacKeigan

Anthony Vaccariello

Ruth Vermillion

Leonard Robuck

The constantly improving transportation facilities, plus more and better means of communication, have brought the present generation of Americans into a community of nations in which the United States must play the part of a neighbor and a leader. Now as never before, it behooves Americans to make themselves understood by the other peoples of the world. It further behooves them to make every effort to understand the millions of persons in the world who express themselves in languages which are foreign to Americans.

COMMERCIAL DEPARTMENT

The general objective of the Commercial course is to prepare the student to enter the business world immediately after graduation. The students in the "Co-op" department are given a minimum of fifteen hours a week of actual work experience at the prevailing wage rate. This program offers to the students the opportunity of "learning by doing."

SCIENCE DEPARTMENT

A knowledge of the various sciences is extremely useful as well as being rewarding. The general objective of the study of science is to aid the student to acquire, classify, and select facts and to draw logical conclusions. The program of scientific study offered at Euclid is a varied one which offers such courses as Physics, Horticulture, Biology, and Chemistry.

MATHEMATICS DEPARTMENT

Beula Wilson

Albine Weitzel

Fred Johns

Adrian Buerger

Our Mathematics department offers: Shop Mathematics, Algebra, Plain and Solid Geometry, and Trigonometry. All of the courses in mathematics except shop math are a necessity for the student entering a career of engineering or science. These math courses are sufficient for all the skilled trades in and out of industry as well as for a foundation for further mathematics in higher education.

INDUSTRIAL ARTS DEPARTMENT

Fred Vollman

Ford Case

Clarence Eckert

John Supance

Aloysius Galicki

John Photo

Mervin Staines

Frank Trogia

Generally speaking, the Art and Industrial Arts courses are designed as nearly as possible to provide instruction and experience basic to the vocations and avocations represented in our school, shops, and craft rooms.

The Industrial Arts subjects as set up are not intended to prepare anyone for a specific job such as running

a drill press or becoming a specialist in repairing automobile carburetors of a certain make. The instructors try to give a broad background in the subject, to develop basic skills peculiar to the field, and to teach cooperation within the group.

MUSIC DEPARTMENT

The Music department offers the student interested in music an opportunity to participate in band, orchestra, or choir. There is an opportunity for all, in both popular and classical music. Naturally, a desire to play or sing is stimulated, and it is hoped an understanding and appreciation of the finer type of music is developed.

Dale Harper

Jan Thompkins

ART DEPARTMENT

The art course is constructed to provide a maximum of experience in all phases of art as it applies to everyday life. This covers painting, drawing, crafts, appreciation, consumer education, ceramics, metalwork, sculpture, commercial art, and others. The emphasis is on practical work, although anyone who cares to use art as a career will find that this course will prepare him for art school or college art courses.

PHYSICAL EDUCATION DEPARTMENT

Spartoco DiBiasio

Joseph Gram

Carol Greve

Jane Lais

James Calvert

The physical education program for boys and girls is perhaps one of the most important in the Euclid High curriculum. Its purpose is to develop and maintain physical efficiency, establish desirable health attitudes, develop permanent interest in recreational activities, sportsmanship and a sense of fair play, self-control, poise, grace, ease, and self-assurance.

HOME ARTS DEPARTMENT

Marion Hoddick

Edith Lemon

Jessie Howe

The general aims of the Home Arts course are: (1) To lead the student to realize some of her responsibilities as a member of a democratic home and community; (2) To help the student analyze and solve her personal problems as to clothing, food, and social relationships.

The Home Arts Department offers courses which prepare a girl for the greatest career of her life—marriage.

A collage of ten black and white photographs with torn edges, depicting various scenes of students. The photos are arranged on a dark background. Top left: A student in a light-colored top and dark pants is bent over, with another student's head visible below. Top center: A student with glasses and a light-colored shirt is smiling, holding a small object. Top right: Two students in dark, possibly academic or religious, robes are standing side-by-side. Middle left: Two students are sitting closely together, smiling. Middle center: A group of five students are gathered around a table, looking at something on it. Middle right: A student in a light-colored, patterned dress is standing with arms outstretched. Bottom left: A student in a dark, sleeveless dress is standing. Bottom center: A student in a light-colored, patterned dress is holding a small object. Bottom right: A student in a light-colored, patterned dress is lying down, with another student's head visible above.

We, the Senior Class of 1953, remember the Senior Play, those wild parties, Euclid's basketball team (and the self-appointed bugler at Cleveland Heights), leaving assembly first, memorizing Shakespeare, and finally we remember teachers and underclassmen who made our senior year so hectic.

JUNIORS . . .

Honors go to our outstanding Junior Class for its scholastic achievements and for its leadership and participation in school activities. The officers, under the guidance of the class advisors, were the helping hands that led the Juniors through a year of success and fun.

The Class of '54, with the success that it has already gained, is looking forward to another year of all around achievement.

SOPHOMORES . . .

The difficulties of adjusting to a new school, new surrounding, and making new acquaintances confronted the class of '55 just as it does any sophomore class. These obstacles were soon forgotten, however, as the first few weeks of confusion and excitement died away.

The Sophomore Class has really displayed a keen interest in class affairs and the numerous school activities. We are certain that the Sophomore Class with the initiative that they have already shown can be expected to do great things in the future.

SOPHOMORES . . .

We, the Sophomores of 1953, will never forget the trouble we had finding our classrooms during the first week of school, the first "Homecoming," reading Silas Marner, "green Thursdays," and white bucks.

THE JUNIOR PLAY

The delightful comedy, "Our Miss Brooks," was presented in the auditorium November 21st and 22nd, by the Junior Class. The play was a huge success, and provided many laughs and an excellent evening's entertainment for those people who saw it.

We offer a vote of thanks to Mr. Leonard Robuck, who directed the play, for the way he tirelessly gave of his time to work with the cast. His steady influence did much to eliminate those "opening night jitters."

"Our Miss Brooks" was based on the radio and TV show by the same name, starring Eve Arden, and depicted Miss Brooks, a high school English teacher, directing a school play of her own. A romance was added between Miss Brooks and Hugo Longacre, the basketball coach, and when the curtain was finally rung down on the last performance, most people agreed that this was one of the finest Junior Plays ever seen at Euclid.

Mary Chases's delightful comedy, *Harvey*, provided the Senior play cast with many enjoyable afternoons and evenings of rehearsal, and the large crowd who came to see the play, with an evening's entertainment.

Duane Mansberger as Elwood Dowd—the lighthearted gentleman who is befriended by the six-foot white rabbit, *Harvey*—and Myra Jerkis as his sister, Veta Louise—who tries in vain to destroy the supposedly mythical rabbit—only to find herself coming under *Harvey's* influence—kept the play moving swiftly and smoothly.

The production of *Harvey* was a large undertaking, but the Seniors under Mr. Bennett's direction carried it through to success.

N. F. L.

Once again the National Forensic League can look back with sincere pride on its accomplishments of the year. It has been a year of success and failure, happiness and despair. This year the club was increased from thirty members of last year to approximately seventy-five members.

The Prince of Peace contest started the speech activity in November. Experience once again proved valuable as Bill Fortner, Marcia Kuchera, Joanne Lacey, Mary Grace Derbaum, and Roger Pae won in the first set of contests. In the next contest Roger Pae was victorious and went on to win third place in the district.

The E. H. S. debate team did very well in their

first debate at Tallmadge, Ohio. The first individual events contest was at St. Joseph. Following this were contests at Ravenna, Cathedral Latin, Niles, and Cuyahoga Falls. Euclid contestants made an excellent showing in all of these contests. The high point of the year was reached on February 21 when Euclid held its second all-events tournament. This was even bigger and better than last year's contest.

One of the highlights of the year was that coach Mr. Leonard Robuck, served as a member of the northern Ohio district committee of N. F. L.

Next year, judging from the fine showing this year, Euclid should occupy one of the top positions in N. F. L. ranking in the nation.

The Student Council is one of the most important organizations in our school. It was the Student Council that sponsored dances after our games, refurbished the Recreation Room, presented our first annual homecoming, and gave us assemblies such as the one during which Mr. Clifford Owen gave his interpretations of American ways.

The Student Council served well as the link between the faculty and students which brought both harmony and efficiency to our school government.

STUDENT COUNCIL EXECUTIVE BOARD

The executive board of Euclid High School, presided over by the Student Council president, is composed of the leaders of the main functions of the Student Council: Assembly Chairman, Hall Guard Supervisor, Honor Study Hall Head, Captain of the School Guides, Concessions Chairman, Cafeteria Supervisor and Recreation Room Supervisor. These people decide important issues to be brought before the council and the various projects which they desire the council to undertake.

STUDENT COUNCIL BOOK STORE

The Book Store of Euclid High under the direction of Kathy Ingraham and Mary Ann Hallack is really helpful when one needs notebook paper, pencils, or some other classroom supply. It is open every period of the day and is operated by the students.

HALL GUARD CAPTAINS

Our Hall Guard system under the direction of Joanne Lacey insured visitors of a courteous welcome to and guidance in any part of the building. The period captains made certain every post was occupied by a competent person and the hall guards aided the deans by delivering attendance slips to the office.

STUDENT COUNCIL CONCESSIONS

"Pop Corn! Hot Dogs! Candy! . . ."

One of the most important jobs of the Student Council is to manage concessions at all important athletic events. This year the job fell into the hands of Tim Browning and his assistants, Bill Fortner, Jan Eiber, and LeRoy Yeary.

National Honor Society

One of the most coveted honors that a high school may bestow upon one of its students is the honor of being inducted into the National Honor Society. A membership in the National Honor Society is cherished throughout one's entire life, whether he may choose to go to college or otherwise.

Any student who has maintained a scholastic average of eighty-five percent or better, is eligible for membership. The students are chosen from the Junior and Senior classes according to the standards of scholarship, leadership, character, and service. They are selected on a point basis by each member of the faculty and the present members of the Society.

Each year in January, the induction ceremony takes place during an all-school assembly. No student knows who has been selected for initiation until the names are read in the assembly.

Our chapter of the National Honor Society, led by Mr. Stanley White-side, is one of the 3,500 in the United States today. It is not a service club, although most of its members are key persons in other service clubs. They have social activities and each year find a means of earning money to defray the cost of pins and other expenses.

Hi-Y

Remember the old song, "For he's a jolly good fellow"? Well, when referring to the Hi-Y, we must say "for they're all jolly good fellows."

The Hi-Y is an organization for boys with the desire to create an attitude which promotes Christian living. Their many activities offer not only service to the student body but also pleasure to the members.

Because of the large number of boys participating in the Hi-Y activities, the organization is divided into four chapters, the Knights, Squires, Nobles, and Regents, each having its own individual projects and activities.

F. T. A.

The transference of knowledge from one generation to another is a job that will always be necessary—there will always be children to teach!

The purpose of the F. T. A. Club is the uniting of students who have a common goal—that of being one of the Future Teachers of America.

Ad Club

The Ad Club is very important to the success of the athletic program here at Euclid High. Without it the sports activities would not run as smoothly as they do. It is the

responsibility of the Ad Club to sell the tickets to such sports events as football games, basketball games, and wrestling meets.

This year the Key Club was host to the State Key Club Convention held here in April.

SENIOR CABINET

"Let's take a vote!"

This democratic suggestion is frequently heard at any one of the sessions of Euclid's Senior Cabinet, as selected senior class students meet under the leadership and guidance of the class sponsor, Mr. Smith, and class President, Vince Capello, to discuss and settle the various problems with which a Senior Class is always confronted.

RED CROSS COUNCIL

The Red Cross Council has accomplished a great deal in its brief two-year history.

The purpose of the Council is to co-ordinate all Red Cross activities in the school and to stimulate interest in Red Cross among the Student body.

Though only a few belong, it has very admirably fulfilled its purpose.

There's no telling because . . . thanks to the work of student operators who are on duty at the console of the P.A. system and to their advisor, Mr. Gebhardt, who is everywhere . . . we hear political speeches by Eisenhower and Roger Pae, commercials (have YOU bought your SHREWSBERRIES?), heartrending tales of CAPTAIN VINCENCIO, and news bulletins from the office by commentator Walter Schwegler.

We appreciate the efforts of the P.A. Staff . . . their work gives unity to our school.

P. A. Announcers Club

The many duties of the P.A. Announcers staff are too numerous to mention, but among their more important duties are the morning announcements. The Public Address staff, supervised by Mr. Robuck, is an organization receiving little public recognition, but performing an important and a necessary service.

THE FRIENDSHIP CLUB

The Friendship Club of 1953 has had one of its most successful years. Just ask any of its members and they'll all agree that the many activities have kept them more than busy throughout the year.

The Friendship Club is an organization for Sophomore, Junior, and Senior girls. Its purpose is to develop leadership among girls through their active participation in social programs and service projects for our school and community.

MAJORETTE CLUB

Three to one odds may seem rather good at first glance, but to the thirty girls in the Majorette Club who are vying for the ten varsity majorette positions the odds begin to appear quite high comes the month of May and the final selection of the next year's candidates.

Regardless of whether or not they are one of the lucky ten, the girls appreciate the various skills such as twirls, dances, and marches which they have learned, and the great deal of fun and enjoyment they have had during the year as a member of the Majorette Club.

THE MEGAPHONE CLUB — THE CHEERLEADERS

The Megaphone Club is composed of thirty students who work toward a common goal—that of becoming a cheerleader. These girls are trained during regular meetings by the varsity cheerleaders, with the assistance of Mr. Mize. They are taught acrobatics, hand and leg movements, facial expression, and coordination.

Unfortunately, all members cannot become cheerleaders, but it is a high honor for those who do. Our cheerleaders, chosen for their exuberance and school spirit, are the "Zip! Bang!" of the school.

For the limelight they enjoyed a couple of times a

week, they spent many hours practicing so they could arrive at near perfection in the cheers which they led. With the help of their advisor, Mr. Edmund Mize, they also planned and presented the pep sessions held for the student body.

With everlasting pep and enthusiasm, our cheerleaders followed the football and basketball teams wherever they went. Whether the team was victorious or lost a heart-breaking game, whether few or multitudes of students were in attendance, they proceeded to cheer and hoped that they might add that necessary spark to the team.

BOTTOM LEFT—Poor Harvey. He's in the center of a 12-man pileup as Euclid stops him on the goal line just before Shaw made its fourth period touchdown to win, 13-7. Harvey Peskin found somebody's fingers in his eye.

UPPER RIGHT—Scoring Shaw's fourth period touchdown is Al Sebransky from the one-yard line. Harvey Peskin and Ken Horton were stopped from the same spot on two previous plays.

Co-captains of the 1952 Panther football squad were Don Vicic and Lou Laddis. Don, a rampaging fullback, was named to the Lake Erie League first team, the Press All-Scholastic team, and received All-Ohio honorable mention. Lou's line work and all round play were important factors in many of the battles.

This year's "Blue and Gold" grid squad, although finishing with an unimpressive 3-5-1 record, gave its fans plenty of exciting action.

Ranking high in the state wrestling tournament for the third year in a row, Coach Clarence Eckert's grapplers took second as five boys placed in the state.

Winning state titles at 127 and 165 lbs. respectively were co-captains Manuel Paz and Ron Phillips. Jim Kalin, out for a good part of the season with a spine injury, took second place at 138 lbs. Dick Brennan notched a third in the heavyweight class, and previously unheralded Don Joranko took fourth in the 112 lb. division.

In regular season matches, the Panther varsity won 6 and dropped 2. The "B" team notched one victory against one loss, defeating Maple Heights and losing to University School.

Cuyahoga Falls was the "Blue and Gold's" first victim, falling 34-8. In the second match of the year, the Panthers downed a tough John Marshall squad, 20-18. Next came two easy wins over West and Lakewood.

With three regulars out with injuries, Euclid lost 22-18 to powerful West Tech. Bouncing back in Euclid fashion, the Panthers knocked off John Adams and John Hay.

In an attempt to snare a Greater Cleveland Conference tie, Euclid suffered a heartbreaking loss to Shaker, 17-15.

Although the nucleus of this year's squad is graduating, other capable grapplers have received added experience and instruction and will be ready to keep Euclid a power in scholastic wrestling.

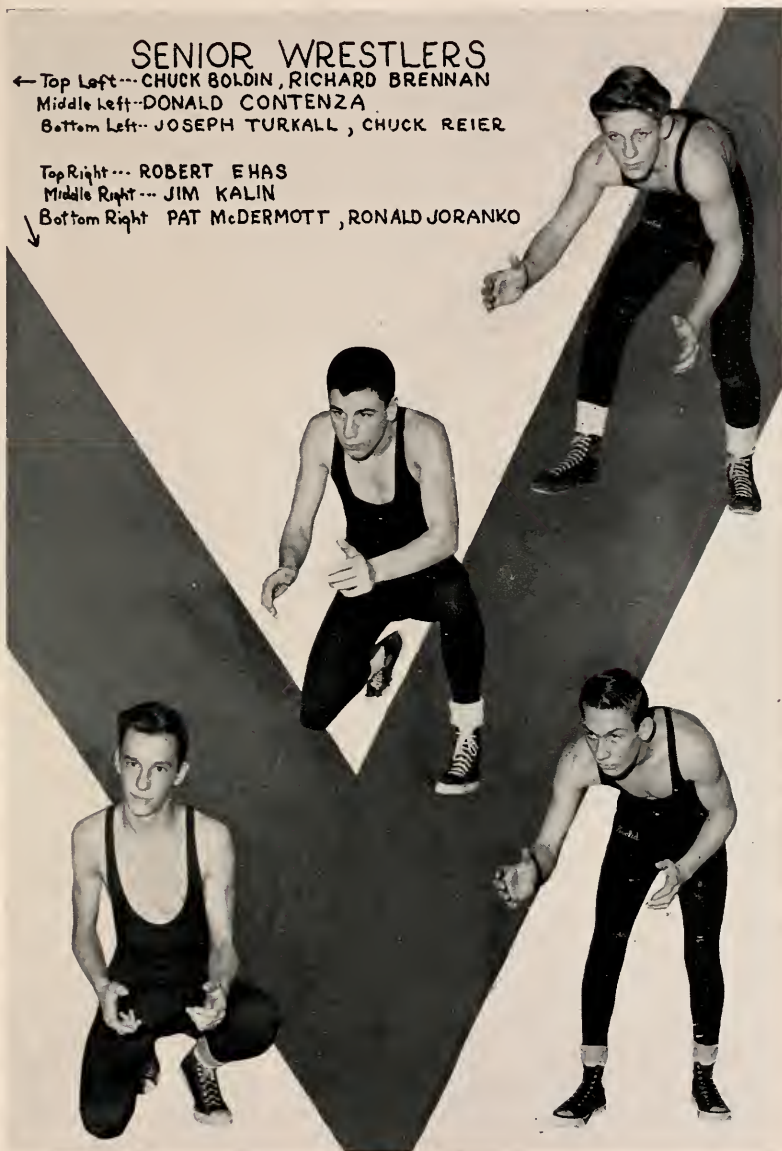

Co-captains of the 1953 "Blue and Gold" mat team were 128 lb. Manuel "Toots" Paz and 165 lb. Ron Phillips. Completing the regular season undefeated, both Manuel and Ron went on to win the state championship in their respective divisions. "Toots" was the state champ at 120 lbs. last year, and Ron took a second in the 165 lb. class.

Coach Clarence Eckert called a meeting of all graduating senior wrestlers. Jim Kalin, full of aches and pains, and canvasback Ron Joranko sat in one corner talking to "Honest Chuck Reier, the Rail-splitter." Jim McDermott, muttering, "I should have beat him," was consoled by Chuck Bolden, who deals with bonesetters. Don Contenza, who needs a college scholarship badly, had to tell "Four-eyes" Ron Phillips the time of day. Joe Turkall complained again that his opponents are all bigger than he is. "Toots" Paz remarked that he is still looking for a female friend, but Dick Brennan and Bob Ehas said nothing, for their girls keep them quiet.

The "Blue and Gold" opened the season by dumping East High, 60-46. Elyria then pulled an upset by downing Euclid on the Pioneer court, 50-47.

Like True champions, the Panthers rebounded to capture fourteen straight tilts. Included in this

streak were double wins over Shaker, Cleveland Heights, Lorain, and Shaw. Other victories came over Painesville Harvey, 60-38, Lakewood, 57-49, Canton Lehman, 65-47, Brush, 53-43, Elyria, 69-39, and Ashtabula, 65-53.

BASKETBALL TOURNAMENT

REVIEW

Although dropping the championship game of the district tournament, the Panthers extended their record to 20 wins as against three setbacks.

Led by Captain Frank Nimmo, the "Blue and Gold" cagers swept by Conneaut 63-49, Geneva 64-60, and East High 69-54, to reach the final.

The championship game matched the Panthers against a powerful East Tech quintet, unbeaten in seventeen encounters. After giving the Scarabs a battle all the way, the Panthers were downed 58-52.

Frank Nimmo was elected to the all-tourney first team and received the most valuable player award. Phil Borovic was nominated to the all-tourney second team.

Euclid's 1952-53 swimming team was captained by Max Krecic who swam the freestyle events. The high-point man was Graham Teschke, whose specialty was the individual medley. The team will lose the five swimmers pictured in the front row and Richard Frech not pictured. But there is a fine nucleus left to make up next year's team, which is hoped will be a contender in the Lake Erie League.

TRACK AND CROSS COUNTRY

Showing much improvement over last year, the Panther cinder-men provided their fans with many thrilling moments. Coach Ford Case was greatly pleased with the team's showing and is looking forward to greater achievements next year.

In dual meets with Mentor and Cleveland Heights, the "Blue and Gold" lost by close scores. Against Willoughby the team took eleven first and won easily. A night triangular meet with Shaker and Shaw saw Euclid press the Shakerites all the way, finishing a close second. The Panthers didn't do as well in the Lake Erie League Meet, placing sixth.

Finishing second in the Lake Erie League Cross Country Meet, Euclid's distance runners showed plenty of drive and endurance. Harold Crane, Ted Thomas, Bill Fischer, Don MacKay, and Bob Hale were the first five Panthers to cross the finish line.

Having lost only Lou Laddis by graduation, next year's Panthers will pose a problem to any team in the state.

FIRST ROW—T. Carroll, D. Alston, R. Makman, W. Lux, F. Miller, J. Valentine. SECOND ROW—D. Johnson, M. Walklett, D. Niccum, J. Herrel, H. Myers, D. Skranes, J. Skinner, Coach Troglia.

GOLF

The first Euclid team to win two Lake Erie League Championships is the title proudly worn by Coach Harold Blackburn's golfers. On May 9 at Seneca Country Club, Co-captains Robert Kapelle and George Byrne combined with Dan Sustar and Jerry Penkala to win the tournament by twenty-one strokes. Kapelle and Byrne shot 83's, while Sustar and Penkala had 88's.

A week later at Highland the same boys placed fifth among eighteen teams. Altogether the team won nine matches, lost eight, and tied one. Providing the competition were Cleveland Heights, Latin, Parma, Willoughby, Collinwood, Brush, Benedictine, and Orange.

Other boys who participated in various matches were Joe Bernstein, Robert DeShields, Dennis DiCenzo, William Garguilo, Ronald Laseak, Leonard Rattini, Ray Stills, and Louis Tortorici.

TENNIS

Last fall the Panther tennis team won one match and lost five in L.E.L. competition. Displaying much spirit and interest in the game, the "Blue and Gold" netters gave all their opponents a good battle. Having seen steady improvement throughout the fall season, Coach Frank Troglia can put his team on the court knowing that they will be a threat to any foe.

A whistle blowing—the familiar words “line up”—and “What happened to squad three?”—are all part of the everyday work of the Girls' Leaders Club.

One of the high honors that may come to a girl is to be selected for membership in the G. L. C. Members are selected on the basis of leadership, scholarship, and dependability.

The job of the leaders is to aid the physical education teachers by refereeing games, caring for equipment, and demonstrating proper techniques.

Through help from Miss Gill, and through continuous practice, the girls become skilled and capable leaders.

A CAPELLA CHOIR

Without a song, a nation, a school, or an individual is missing an opportunity to make the days happier, friends friendlier, the sun shinier.

An organization of which the student body of Euclid High School may be justly proud is the one hundred voice A Capella Choir under the direction of Miss Jan Tompkins.

This year our choir gave its annual Christmas Program, sang at Tapco and the Terminal Tower, and

was host to the Lake Erie League Choirs in their annual festival, at which Mr. Evans of Lakewood and our own Miss Tompkins directed a mass chorus of seven hundred voices.

GIRLS ENSEMBLE

The Girls' Ensemble consists of nine girls of outstanding ability chosen from the choir. The ensemble enters the Greater Cleveland contest every year and appears in many concerts.

GIRLS' QUARTET

Our Beauty Shop Quartet is composed of three seniors and one sophomore. They have sung at various community events, assemblies, and in the big show.

Sally Carroll, Ruby Ann Friedel, Judith Dinwoodie, Diane Birkic.

MADRIGALS

The Madrigals consists of twelve students selected from the various choirs in the school. This group is the nucleus of all of the choirs.

THE MARCHING BAND

Fanfare, please! We want to salute the Euclid High School Marching Band under the direction of Mr. Dale Harper. The Marching Band, led by the ten

strutting majorettes, performed their intricate drills at our football games as well as in the Columbus Day parade, the Press Christmas parade, and the Memorial Day parade.

CHRISTMAS CONCERT

Each year the Music Department of Euclid High stages an annual Christmas Concert, and this past year's was certainly one of the finest ever given. The opening of the program by the Euclid High Orchestra playing a Christmas Overture was followed by the Christmas Pageant, presented by the junior and senior choirs. As always, the beautiful candlelight-procession was an impressive part of the program.

EDITOR AND ASSOCIATE EDITORS

No one need relate to you a long list of efforts and achievements on the part of the editors, for is not this yearbook adequate proof of the outstanding work of these three individuals?

Connie Bates, Editor-in-Chief, had the sole responsibility of the success or failure of this year's EUCLIDIAN.

Dawn Bouse, Associate Editor, was responsible for all the written matter throughout the yearbook.

Sue Spangler, Associate Editor, had in her charge the selection and placement of pictures.

ART EDITORS AND CLASS EDITORS

Art Editor Ron Joranko, and his assistant, Jeanne Powell, have one of the most important jobs on the Euclidian staff—that of designing the cover for our yearbook and assisting in deciding the page layouts for the Euclidian.

Three other important persons are the Sophomore, Junior, and Senior Class Editors. They are responsible for your picture being in the yearbook. This year the Sophomore Class Editor was Myra Jerkic; Junior Class, Elaine Lokar; and Senior Class, Rita Atran and Carol Cutler.

EUCLIDIAN EDITORIAL STAFF

The Euclidian Editorial Staff, under the supervision of the Euclidian sponsors, Mr. Angene and Mr. Wiley, and student editor, Connie Bates, is subdivided into several sections with each section playing an extremely important role in the production of an outstanding yearbook. The students of this staff work unceasingly, searching for and organizing new ideas concerning smart cover designs, interesting picture arrangements, and the best selection of pictures.

The student body owes a debt of gratitude to these people, both student and teachers, who gave so freely of their time and effort to provide Euclid Senior High School students with a yearbook they could proudly treasure in the years to come.

The Euclidian Business Staff has the task of raising \$4,500 each year. They do this through advertising, publication movies, dances, and student subscriptions.

Our Yearbook could not be a success without the combined efforts and achievements of all the members of the business staff.

EUCLIDIAN BUSINESS MANAGERS

There are three major officers on the Euclidian Business Staff.

The duty of Florence Elrick, business manager of the Euclidian, was to choose the business staff and to assist them in every possible way.

The circulation manager, Joanne Lacey, was in charge of student subscriptions.

Carol Cutler, the advertising manager, scheduled students to sell advertising.

These three individuals worked together to produce the best yearbook possible.

EUCLIDIAN ADVISORS

Mr. Angene, Mr. Wiley, and Mr. Bennett combined their efforts to the making of a bigger and better yearbook for 1953. Each did a great deal to aid the editors and business managers with their various problems.

With their familiarity with the problems involved in such a task, Mr. Gordon and Mr. Mize directed the Survey in its most successful year to date.

SURVEY EDITORIAL STAFF

Being on the lookout for news is the prime qualifications of a member of the editorial staff of the Survey.

They are also expected to be capable and dependable. Their adeptness at writing is the principal reason for national acclaim.

THE INTERNATIONAL QUILL AND SCROLL

It is the aim of every aspiring high school journalist to become a member of the International Quill and Scroll. It offers to all those who have a valid interest in writing, the chance to be recognized. Nothing in one's high school career can be as rewarding to a person than to be accepted into an organization so widely known, and so widely accepted. No real duties are connected with the organization since it is purely honorary. The pin is a quill under which is a scroll. On it is printed the words Quill and Scroll and the initials IHSHSJ, the initials meaning International Honor Society for High School Journalists. To belong to this organization, a person must have made a significant contribution to one of his high school publications and have a high scholastic average; he must also be recommended by his advisor and the national secretary. Quill and Scroll is to a high school journalist what a degree is to a college senior—a memorable and significant achievement.

Homecoming Queen

Reigning over Euclid High's first Annual Homecoming was Pat Sullivan. Pat was chosen queen by the five winter sports teams. She was presented with flowers and a locket as a remembrance of the occasion. Her reign, though short, highlighted Euclid's 1952 social season.

Homecoming Queen's Attendants

Connie Bates, the pleasing little editor of the Euclidian, was chosen one of the Senior Homecoming Attendants.

Gloria DeNeower, Euclid's popular head majorette, was the only mid-year Senior to be chosen as a Homecoming Attendant.

Carolyn Mosall, one of the most popular Juniors at Euclid, was chosen as the person in her class to be a Homecoming Attendant.

Nancy Smith, the cute sophomore, was chosen by the winter sports teams to represent her class in the Homecoming Parade as a Homecoming Attendant.

Homecoming

As early as June, 1952, plans were being made for the first annual "homecoming" of Euclid Senior High. Some said it could never be done, but finally on October 10, 1952, the hopes and dreams of many students became a reality.

The night got off to a tremendous start at 7:00 when there was a huge parade, led by the band with the majorettes. The cars with the queens followed. After them came nine floats representing the different school organizations. There was a great deal of hard work done on all the floats and they were truly a magnificent sight. When the parade arrived at the school there was a large bonfire, at which the cheerleaders led the crowd in cheers and songs.

HI-Y - FRIENDSHIP FLOAT

Combining their efforts, the Hi-Y and Friendship Clubs built a float that was accorded by all to be the most beautiful in the Homecoming Parade.

P.A. CLUB FLOAT

"She'll Be Comin' 'Round the Mountain When She Comes!" The most unique float in the parade was the one built by the P.A. Club. It depicted a mountain still and added a gay touch to the event.

Following the presentation of the queens to a capacity crowd, the game with Shaw commenced. During the half the floats paraded around the track while a select committee decided on the one that would receive the "Best Float Trophy." For their float which represented a big bird cage with the Shaw Cardinals imprisoned within the bars, the cheerleaders and the majorettes were awarded the trophy. Excellent band demonstrations were provided by both schools.

Although the final score of the game favored Shaw, 13-7, the night was a success in the eyes of all Euclidites. A huge dance, sponsored by the Euclidian, furnished the grand finale to an eventful evening which we hope will live long in the traditions of Euclid Senior High School.

BOTTOM ROW—B. Stevens. SECOND ROW—C. Parr, J. Mutchler. THIRD ROW—J. Bauer, J. Yarbrough, P. Stuzen. Captain—Joan Yarbrough.

VARSITY CHEERLEADERS

Resplendent in new uniforms, that were purchased by the hard working cheerleaders with the aid of a gift from the Student Council, this year's cheerleaders seemed sure to be rated as one of the top squads in our district.

RESERVE CHEERLEADERS

Following their Junior Varsity team and cheering them on to victory is the duty of our Reserve Cheerleaders. Holly Steinfurth, the captain, headed the finest squad yet to be introduced to basketball enthusiasts.

Assembly—Jim Archer

Early in the year, Jim Archer came as a guest and performed on our stage. His tricks with the bow and arrow were amazing to all. With the use of a very nervous stage-hand, Pat Strewsbury, Mr. Archer revived the story of William Tell, using a few of his own feats.

RECREATION ROOM OPENING

One of the highlights of the social year was the opening of the Student Council Recreation Room. It was one of the accomplishments of a busy year of Student Council work.

Complete with new furniture, juke box, and coke machine, it was available for lunch period enjoyment of the entire student body.

Left to right—B. Gates, N. Smith, A. DiCenzo, T. Vidmar, H. Steinfurth, B. Hupp.

JOAN YARBROUGH

Lovely Miss Joan Yarbrough was chosen by the spring sports' teams to be Euclid's first spring sports' queen. Her reign was another highlight in 1953's whirl of activities.

JOANNE BAUER

With her winning ways and her constant vivacity—charming, likeable Joanne Bauer was chosen by the teams to be a Senior Attendent.

CONNIE CLAMPITT

Connie Clampitt also was chosen for this honor. Being very well-liked, she seemed a natural choice to attend the queen of the spring sports.

JOANNE LACEY

The golf, tennis, track, and baseball teams all agreed that friendly and attractive Joanne Lacey should be the Junior class' contribution to the royal family of spring sports.

MARCIA CHRISTOPHER

Marcia Christopher, with her warmth and friendly ways making her a logical choice to be a member of Euclid's royal family, was given the honor of representing her class at the spring sports' dance.

MR. HECKER . . . Little King Cover Company . . . who never lost his patience through all our doubts and hesitations.

The Administration and Faculty of Euclid Senior High . . . who, though being constantly disturbed by last minute requests, classroom announcements, and general nuisances, have remained calm and co-operative and thereby made our job much easier.

. . . and . . . The Staffs . . . who, through their earnestness, diligence, and unending labors have made this book what it is.

And, we sincerely thank each and every one of YOU who have supported us and your school by buying the 1953 EUCLIDIAN.

Best Wishes
